April 30, 1997

**SUBJECT:** Emergency/Parking Brake System

**EQUIPMENT AFFECTED:** Serial Number: 3612

**CLASSIFICATION:** Mandatory Safety  
Mandatory Repair  
Optional Repair  
Fix-as-fail  
Information

To: Marcelo Flavio Barros De Deus E Mello  
Jonas Dantas De Miranda

As an ongoing design improvement to the braking system on mobile equipment, the Teledyne engineering group has evaluated and made design changes to the braking system that we feel will upgrade and improve the functioning of this system. We strongly recommend this system be incorporated into your mobile equipment.

Teledyne will supply the parts and installation information free of charge and will follow up for progress of the installation.

The part number of the brake retrofit kit is #625-6800ML, Revision 0
